Task Chair

Thanks to user-centred design and a weight balancing mechanism, Do doesn't have a multitude of knobs and levers to find and struggle with.

Features & benefits

- Task chair with height adjustable arms
- Gas height adjustment
- Syncro back adjustment
- Standard castor supplied, suitable for carpeted areas
- User centred design
- Black technical mesh back / upholstered seat
- Fewer controls means its easier to use
- Greater adaptability means a better fit for more people.
- Lumbar support
